- A. Under the guidance of Honorary Secretary Indian Red Cross Society Odisha State Branch, distributed Micro Cellular Rubber footwears to 08 leprosy patients at Gopabandhu Leprosy Colony, Buddha Nagar , Bhubaneswar. Lack of different designs and colours decrease the acceptability of footwear among the leprosy patients which is a major obstacle on the way for complete eradication of leprosy patients. Keeping this on view, with the help of Lepra Society Odisha Red Cross prepared MCR Footwears for the leprosy patients. These upgraded and newer designs of protective MCR footwears distributed by Red Cross was accepted by the leprosy patients. These footwears definitely prevent ulcers, protect and cover their anaesthetic and deformed feet. During the programme, Staffs of Lepra Society and IRCS OSB were present. The Gopabandhu Leprosy colony members praised Red Cross initiative for this noble job.

23. Awareness programme at Jujhagada village (Daruthenga):

Family Counselling Centre of IRCS-OSB organised one day Awareness Programme at Jhujhagada village, (Daruthenga). The programme was held by involving 70 above local residents including adolescent girls, women, men, Asha and Anganwadi workers. The main objective of the Awareness programme was to promote family counselling. With the span of time and introduction of modernity the value of family life in some cases have been

derogated. With small misunderstandings the family life become strained and lead to divorce or judicial separation. In these cases most of the time they need a third party intervention who can discuss with them and can resolve the misunderstandings. There was discussion on various issues related to family counselling centre including Dowry, Domestic violence, Extramarital relation, Family property dispute, premarital Counselling etc.

24. Internship programme of the students of INDIRA GANDHI NATIONAL OPEN UNIVERSITY BHUBANESWAR REGIONAL CENTRE

25. Development Work Undertaken by IRCS-OSB during the July 2023

A. Construction of Sheds for Blood Collection Bus

IRCS-OSB has constructed a Shed on 30.07.2023 for Blood Collection Bus (5 Seater) in the premises to protect the bus from heavy rains, dust, storm, wind, insects. It also protects the bus from birds drooping that usually happens when we park our bus on open space. Thus bus parking sheds become very effective to reduce the maintenance cost.

B. Construction of Path Way from IRCS-OSB Main Entrance to FCC Building

IRCS-OSB has constructed a Path Way from main office entrance to FCC building on 30.07.2023 to providing space for staff and outside visitors for smooth walk to and from main building to place of work especially during the rainy season and night time.

C. Construction of a Security Guard Room Under progress;

IRCS-OSB is constructing a room for Security Guards at the main entrance.
