Request for Proposal (RFP)

Annual maintenance Charge of Cloud Based Enterprise Resource Planning (ERP) System

INTRODUCTION & OBJECTIVE

INDIAN RED CROSS SOCIETY ODISHA STATE BRANCH, BHUBANESWAR 751022 was established in the year of 1932.

The Indian Red Cross Society, Odisha State Branch has been rendering humanitarian services to the people of Odisha since 1936. The IRCS was established in 1920 through an Act of the Parliament, the bill passed on 17th March 1920 and became Act XV of 1920 with the consent of the Governor General on 20th March 1920. The Odisha State Branch was established on 1st April 1936. All its humanitarian activities are based on the four core areas i.e. Disaster Response, Disaster Preparedness, Health Care in the community and Promotion of Humanitarian Values & Fundamental Principles.

IRCS-OSB, Bhubaneswar requests proposals for **Annual maintenance Charge of Cloud Based Enterprise Resource Planning (ERP) System** solution described in the attached specifications by interested parties (hereinafter known as "the Bidder"). Prices quoted shall be all-inclusive and represent complete implementation at the site given in the attached specifications. The bidder shall be responsible for all parts, labor, and all other associated apparatus necessary to completely develop, test, install and turnover etc for acceptance to IRCS-OSB, Bhubaneswar, the software systems detailed herein.

SCOPE OF WORK

This section details the requirement specifications for different modules of ERP package.

1. Admission Management

This module should cover management of entire admission process starting from the announcement / advertisements to the final order, in between including issue of offline application forms / online processing of application forms, HRMS system for the staff and all the official administration process.

Main features of the official Management would be:-

office can be defined by entering the following details

- (a) HRMS
- (b) Staff details Name
- (c) Leave details
- (d) Description for Tender/ Advertisement etc
- (e) Books
- (f) References
- (g) Suggested Reading

It facilitates the capturing, management, and presentation of data pertaining to office administration. The core responsibility of this module is to keep track of all the information related the official procedure offered by the Institute

2. Attendance & Time Table Management

- (a) Maintains attendance of staffs (Contactless attendance shall be preferred).
- b) any other things.

HRMS

- (a) Preparation of attendance registers
- (b) Issue of circular regarding attendances
- (c) Issue of circular, letter, Agreements and office orders.

3. Administration & Establishment (Human Resource Management)

This module should takes care of the online recruitment process that involves online application submission, screening and short listing, interview and appointment letter generation. It also takes care of generating employee id numbers and id cards. All the personnel data such as qualification, experience, address, medical history, contact information, training programs is maintained securely here.

This module should offer a complete, staff information management system. The personnel management modules acts as a repository for all staff details such as current job and profile, contact details, family background, transfer, promotion details, qualification and other training details.

- Competencies can then be mapped to roles and employees as per organizational

- hierarchy. This enables the software to produce the seniority list.
- Leave management with request / approval work flow

4. Payroll System

This module should offer recruitment to retirement life cycle management of employees.

- (a) Leave management with request / approval work flow along with type of leave.
- (b) Staff benefits and performance appraisals
- (c) In payroll module:
- (d) Leave, salary and arrears, pension contribution computed instantly with the click of a mouse
- (e) Configurable salary structures that can handle a fair degree of complexity.

5. Finance & Accounts

Accurate and timely information is critical in assisting your financial activities to achieve its strategic goals - with a growing trend towards users reviewing key information daily rather than monthly;

Budgeting and Planning - With budgets becoming tighter financial accounting becomes an important part of any University ERP Solution.

The solution should handle multi-currency and different types of vouchers such as:-

Cash Voucher, Bank Voucher, Journal Voucher, Purchase Voucher, Sales Voucher, etc.

It should also generate accounts statements such as payment & receipt reports, trial balances, profit and loss statements, and balance sheets periodically.

Main features of financial management –

- (a) Budget – allocation, reallocation
- (b) Accounts – balance sheet, profit and loss, cash flow
- (c) General ledger
- (d) Accounts payables and receivables
- (e) Depreciation

6. Budgeting

Budgeting and Planning - With budgets becoming tighter financial accounting becomes an important part of any University Solution. The solution handles multi-currency and different types of vouchers such as:- Cash Voucher, Bank Voucher, Journal Voucher, Purchase Voucher, Sales Voucher, etc

7. Employee Self-Service Portal

This module shall be user friendly and to be customized as per requirement from time to time.

8. Website Re-design

This module shall enable to link all the ERP data to the institute website and shall be upgraded from time to time.

Other Technical Requirements

- (a) Must work with public domain RDBMS
- (b) Backup and restore. Must be there – should be able to take a complete offline as well as online backup and incremental- TAB drive/hard disk,
- (c) There should be one super administrator who can control other user and give administrator privileges according to the department module
- (d) Facility shall be provided for System administrator for creation of desired number of Users for various modules. To different user, depending upon his level & work done by him, various privileges can be given by system administrator. He can give access to specific menus & submenus to a user.
- (e) There should be adequate provision for security in the system so that it is not vulnerable to hacking from outside.
- (f) All the transactions such as data entry / modification shall be stored with user names so that accountability of User is possible.
- (g) IP address based protection shall be given. Transactions can be entered through specific IP addresses only.

PRE-QUALIFICATION CRITERIA

Bidder Qualifications

Bidder's profile: (All the relevant Certificates must be attached)

- (a) Bidder must be of national standing and repute that should have experience of implementing similar system(s) in Indian state or central.
- (b) Bidder should provide copies of PAN no, GST certificate, Certification of Incorporation, last 3 years income tax return statement / balance sheet approved by CA.
- (c) Bidder must be a product bidder and should be one-stop solution for the development, implementation and maintenance of the product.
- (d) Bidder must sign all the tender documents with date & seal otherwise tender may be rejected
- (e) Bidders should not have been blacklisted by Govt. of India/Central PSU/State Govt. in the last 2 years preceding the date of submission of the bid.

Application Requirements

- (a) Application must be ready to use and bidder must be able to demonstrate functionality of modules with valid data.
- (b) Application must be completely web-based, and must not require any client software other than a web-browser to use it.
- (c) Application should be completely free from any proprietary software and must use only open standard components in its architecture.

Codes, Standards, and Ordinances

Software related to Accounting work if any shall conform to the latest rules, regulations, procedures and standards declared by the Central Auditor General, and all local codes and ordinances, as applicable. All software functions must conform to the IT Act, wherever applicable. The software design should be such that it is given acceptance by the state/Central Audit.

References

IRCS may, with full cooperation of the bidders, visit client installations to observe operations and consult with references. Specified visits and discussion shall be arranged through the bidders; however, the bidder personnel shall not be present during discussions with references. The bidder must provide a reference accounts at which similar work, both in scope and design along with their contact details, have been completed by the bidder previously.

CLARIFICATIONS TO RFP

The bidders may seek clarifications in writing regarding the RFP document within one week of issue of RFP. IRCS-OSB, Bhubaneswar shall respond in writing to any such request for the clarifications and all such clarifications shall be posted on IRCS-OSB, Bhubaneswar website (www.odisharedcross.org).

Financial Bid

This section should contain responses to each of the line items mentioned in Annexure-1. In case cost is not recommended for a particular item clearly mention 0 (zero) in the corresponding row under the column “Cost (in INR)”.

CRITERIA FOR EVALUATION

The technical bids of the participating bidders will be scrutinized as per standard pre-eligibility norms. Selected bidders will be called for presentation which will be of 5-10 minutes. The applicants have to present a pilot demo version of a module as per the modules mentioned under the scope of work. The presentation must include the understanding and compliance with requirements, design templates and proof of concept, experience, ease of management etc. The institute reserves the right to make an evaluation based on the pre-eligibility criteria of the bidders with standard norms and performance of the demonstration. After that the financial bids will be opened for selected bidders and institute will take appropriate decision at its end.

ADDITIONAL INFORMATION

VALIDITY

The RFP response submitted by the applicants shall remain valid for a period of 90 (ninety) days after the date of RFP response opening prescribed in this document. A RFP response valid for shorter period may be rejected as nonresponsive.

EARNEST MONEY DEPOSIT (EMD)

- (a) An EMD of Rs.10,000/- (INR) (Rupees Ten Thousands only) in the form of a Demand Draft drawn in favour of Honorary Secretary, IRCS-OSB, Bhubaneswar and payable at Bhubaneswar must be submitted along with the Proposal.
- (b) Proposals not accompanied by EMD shall be rejected as non-responsive.
- (c) No interest shall be payable by the Institute for the sum deposited as EMD.
- (d) The EMD of the unsuccessful bidders would be returned within one month of signing of the contract.
- (e) No bank guarantee will be accepted in lieu of the EMD.

FORFEITURE OF EMD

The EMD shall be forfeited by the IRCS-OSB in the following events:

- (a) If the proposal is withdrawn during the validity period or any extension agreed by respondent bidder thereof.
- (b) If the proposal is varied or modified in a manner not acceptable to the **IRCS-OSB, Bhubaneswar** after opening of proposal during the validity period or any extension thereof.
- (c) If the respondent bidder tries to influence the evaluation process.
- (d) If the First ranked bidder withdraws its proposal during negotiations (failure to arrive at a consensus by both the parties shall not be construed as withdrawal of proposal by the consultant).

SECURITY DEPOSIT

The selected bank shall be required to furnish a Security Deposit of 10 (ten) per cent of the total cost of the contract in the form of an unconditional and irrevocable bank guarantee from a scheduled commercial bank in India in favour of Honorary Secretary, IRCS-OSB for the period of contract with 90 days claim period. The bank guarantee must be submitted after award of contract. The successful bidder has to renew the bank guarantee on same terms and conditions for the period up to RFP for the Project contract including extension period, if any. Security Deposit would be returned only after successful completion of tasks assigned to them and only after adjusting/recovering any dues recoverable/payable from/by the Consultant on any account under the contract. On submission of Security Deposit and after signing of the contract, bank guarantee submitted towards EMD would be returned in original.

Payment terms, other terms and conditions

1. Payment terms -Total payment will be divided into four phases:

Phases	Payment Milestone	Payment (as per the monthly bill or any %)?
Phase 1		

The bidder shall execute a contract for One years for maintenance of the Cloud based ERP system and quote for the annual subscription charges in Table B. The payment of annual subscription fees shall be made after successful implementation/ set up of all the modules and the same shall be made on quarterly basis thereafter (i.e. at the end of successful performance in each quarter) based on actual number of users. (Refer annexure-1 for Table-A and Table-B)

2. OTHERTERMS & CONDITIONS

2.1 General Terms

- (a) The conditional/ incomplete bids or those who received after due date will be summarily rejected.
- (b) The award/ cancellation of work will be decided at the sole description of **IRCS-OSB, Bhubaneswar**. Invitation of Tenders/ quotations is not a commitment.
- (c) **IRCS-OSB, Bhubaneswar** reserves the right to accept or reject in part or full or all the offers without assigning any reason thereof. Any decision of **IRCS-OSB, Bhubaneswar** in this regard will be final and binding on the bidder.
- (d) The bidder shall abide by all labour laws such as payment of wages Act 1936 with upto date amendments, minimum wages Act 1948 with amendments etc and other laws as applicable during the execution of work.
- (e) The institute shall make all payments through account payee cheque drawn or NEFT, **IRCS-OSB, Bhubaneswar** in Indian rupees. Necessary bank mandate detailing bank account number etc shall be submitted after execution of agreement.
- (f) The successful bidder should establish a technical control centre at **IRCS-OSB, Bhubaneswar** for a period of one years or more from the date of completion
- (g) Neither party shall bear responsibility for the complete or partial non-performance of any of its obligations (except for failure to pay any sum which has become due on account of receipt of goods under the provisions of the present contract), if the non-performance results from the Force Majeure circumstances such as Flood, Fire, Earth Quake and other acts of God as well as War, Military operation, blockade, Acts or Actions of State Authorities or any other circumstances beyond the parties control that have arisen after signing of the present contract.
- (h) The bidder should develop and implement the ERP successfully within 1 to 2 days of non - working days from receiving the office order without any additional cost.

- (i) In case of any dispute arising out of or in connection with the contract either during the tenure of the contract or thereafter, the Honorary Secretary of the institute is the sole arbitrator to decide the same and his decision is final and binding on both the parties. If differences still persist after arbitration and there are compelling reasons to go to court, it will be decided in the court of Bhubaneswar.
- (j) Proposal Binding Period
Prices quoted in the bidder's response for all labour and materials will remain in effect for a period of at least One year from last date of the bid submission

2.2 Omissions

Omission in the proposal of any provision herein described shall not be construed as to relieve the Bidder of any responsibility or obligation requisite to the complete and satisfactory delivery, operation, and support of any and all equipment or services.

2.3 Price Stability

Contract prices and discounts as offered in the bid and accepted by **IRCS-OSB, Bhubaneswar** shall remain fixed during the contract period. In the event of price changes, replacement equipment shall be purchased at the lower of quoted value or then current market price. In no case shall a price higher than contract price be paid for equipment proposed. In the event that **IRCS-OSB, Bhubaneswar** desires to purchase equipment or services not contained in the contract, future purchases will be determined using the bidder-specified discount rate in the proposal from the manufacturer's suggested retail price as of the date of the order.

In no case shall the price exceed the favored bidder prices.

2.4 Right to Reject

IRCS-OSB, Bhubaneswar reserves the right to reject all bids. Responses should be submitted initially with the most favorable terms that the Bidder can propose.

2.5 Standards

IRCS-OSB, Bhubaneswar expects that the bidder will use standards, especially for configuration and user-interface, which will be used throughout. Checklists for reviewing user interfaces must be developed and used by the Bidder.

2.6 Integration Issues

The bidder will identify and provide integration of new software with existing software or system, if any, wherever required. Information regarding existing software will be provided to the bidder by **IRCS-OSB, Bhubaneswar** when requested by the bidder or otherwise.

2.7 Data Migration and Retrospective Conversion

The bidder will be responsible for migrating all required data from databases of legacy software, if any, to the database for new software. The migration shall be done through scripts and should be a repeatable exercise, as it may be carried out for acceptance testing and later again for final implementation. The new software and legacy software will run in parallel for a period of time before use of legacy software is stopped completely. For modules where no legacy software is available, need for

retrospective conversion of information has to be identified by the bidder. The bidder must include any special programs or screen interfaces that may be required for entry of retrospective data, in the software design. **IRCS-OSB, Bhubaneswar** will be responsible for any data entry required for retrospective conversion. The database maintained by Bidder in the new software should be easily accessible either through freeware or standard software. There should be personnel deputed by the Bidder to oversee conversion of the legacy data and or retrospective data.

Legacy valid data portability between bidder and new software (possibly in-premises), if such a situation arises in future, shall be the responsibility of the Bidder without extra cost. To this extent every month data shall be provided.

2.8 IRCS-OSB, Bhubaneswar Involvement

Honorary Secretary, IRCS-OSB, Bhubaneswar will be the single-point contact for the project. IRCS-OSB, Bhubaneswar will also assign a tester.

All major decisions must be made with the involvement and agreement of the IRCS-OSB, Bhubaneswar. At no time must the Bidder hold back any information related to the IRCS-OSB, Bhubaneswar system, which is requested for by the IRCS-OSB, Bhubaneswar. It is the responsibility of the Bidder to ensure that the IRCS-OSB, Bhubaneswar has complete information on the software and system so that, after the warranty period, the IRCS-OSB, Bhubaneswar or any technical person from the govt. is fully capable of maintaining and enhancing the software system. The IRCS-OSB, Bhubaneswar and any govt. agency will participate in reviews of all documents and will have approval authority.

2.9 Requirements Gathering Period

The IRCS-OSB, Bhubaneswar or any government agency will fully participate in all activities of the requirements study and configuration period. The IRCS-OSB, Bhubaneswar will be responsible for validating the outcome of the requirements study done by the Bidder. IRCS-OSB, Bhubaneswar will fully participate in the configuration of the system and the database creation, and review and approve the outcome of the design.

2.9 Configuration and Implementation Period

The Bidder must keep the IRCS-OSB, Bhubaneswar fully informed and involved during configuration and implementation period of all technical details on the software, including information on configuration, software structure, techniques used, and any major or minor decisions made regarding the software configuration and implementation.

2.10 System Testing

In case resources are available, IRCS-OSB, Bhubaneswar may like to run a system test cycle after the Bidder has performed system testing. The Bidder has to make the System Test Plan and Cases used by it for system testing available to IRCS-OSB, Bhubaneswar. Any defects found by the IRCS-OSB, Bhubaneswar during system testing must be removed by the Bidder in maximum two days time without any extra payment without any extra cost.

2.11 Acceptance and User Training Period

IRCS-OSB, Bhubaneswar would like to run at least two cycles of acceptance testing and will fully participate in implementation efforts by the Bidder. It will aid the Bidder in ensuring that the software developed by the Bidder is tested and the end-users are trained to use it effectively and efficiently within 15 days of acceptance of work order without any extra payment without any extra cost.

2.12 Training

The firm/agency shall conduct a training need assessment of IRCS-OSB, Bhubaneswar team members as well as administrative users/ staff/ etc. as a component of the process improvement and change management process. Training needs should be continuously refined and frequently reconfirmed with the end-user community & the core team as the project progresses. Even after acceptance and user training period is complete it would be good if the Bidder deputed personnel to oversee customization and other problems that may arise subsequently without any extra cost.

Format for giving details on the architecture of the ERP system operation and services in the network environment

- (a) Bidder may give a graphic outline of the architecture of the application being offered.
- (b) Bidder may also specify its segments, the relationships between the segments, and functionalities offered by each.

2.13 Data Security

The Bidder should provide the following facilities for the Data Security without any extra payment without any extra cost.

- (a) VLAN based network segmentation; restricted inter LAN routing
- (b) Data Backups can be performed on Dedicated tapes with dedicated private keys
- (c) Stringent access control policies for tapes
- (d) Fire proof storage vault
- (e) Off-Site Tape Vaulting

2.14 MANPOWER REQUIREMENT/QUALIFICATIONS

There shall be one year up-gradation/maintenance service to be provided by the bidder for successful deployment of the ERP Package. After development and implementation of the package by the personnel's deputed to IRCS-OSB, Bhubaneswar, at least one software engineer must be provided at the station for day to day activities for a period of one year.

Software Engineer qualifications:

- (a) He should possess B. Tech/MCA with 2 to 5 years of experience in maintaining and upgrading ERP package.
- (b) He should have the ability to customize as per the requirements of the institute, diagnose & detect the technical troubleshooting and configuring the package from time to time.

The bidder shall be directly responsible for payment of salary, P.F, accommodation and other benefits to its engineer residing engaged at IRCS-OSB, Bhubaneswar. The bidder has to arrange for the accommodation of the soft engineer. The bidder shall quote the rate for software engineer year wise. The rate shall include the cost of accommodation. The institute shall arrange for his sitting arrangement at the institute at no extra cost.

Check List (Should be Part of Technical Bid)

1. Name, address, setup and status of the organization. Contact person with telephone number.
2. The bidder shall be a company registered with the Registrar of Companies and registered with GST. Document in support of registration with the Registrar of companies and with the Tax Department for Works Contract Tax.
3. Tender Fees of Rs.5000/- (INR) and EMD of Rs. 10,000/- (INR) in form of DD/pay in favour of Honorary Secretary, IRCS-OSB, Bhubaneswar and payable at IRCS-OSB, Bhubaneswar

Sl. No.	Name	Technical qualifications	Area of specialization	No. of years of experience	Area of Experience	Date of joining the firm

4. List of at least 3 qualified services engineers with details of qualification and having more than 3 years of experience in the relevant field as per the Performa enclosed. The qualification and experience of resident engineers deputed to **IRCS-OSB, Bhubaneswar** will be verified. Copies of qualification and experience certificates to be enclosed.
